

WE BRING THE **FRUITSTAND** TO YOUR SCHOOL SO YOUR FUND RAISERS ARE HEALTHY, PROFITABLE, AND EASY TO IMPLEMENT!

The Healthy Solution for Fundraising™

We provide the freshest, best California Premium Navel oranges available for a different kind of fundraiser—one that promotes healthy eating, and raises additional funds to support extra activities for your school.

We have been learning about healthy eating in school and want to spread the message with a healthy fundraiser. We want your family to enjoy a delicious healthy snack, one that may already be a part of your families diet. The cost of the oranges is very close, if not below the cost in many grocery stores. Please replace your purchase at the store this one week and buy this healthy fruit from us so we can go on with this great learning experience.

1 - 20 pound carton of fresh California Navels at \$24.00,
and 1 - 20 pound box of fresh Clementines for \$25.00, check the store price.

We raise an AMAZING \$10.00 per carton back to your school. Please place your purchase on the order form, buy as many as you like, and return the form to the school or project leader of your organization.

Estimated Profit: \$20,000.00 per truckload
Please buy your family's fruit needs from us this week!

THANK YOU SO MUCH FOR YOUR SUPPORT!
