We have been learning about healthy eating in school and want to spread the message with a healthy fundraiser. We want your family to enjoy a delicious healthy snack, one that may already be a part of your families diet. The cost of the grapes is very close if not below the cost in many grocery stores. Please replace your purchase at the store this one week and buy this healthy fruit from us so we can go on with this great learning experience.

A 1-4 pound clamshell of seedless grapes at \$12.00 (equals \$3.00/pound), check the store price, it will be very close. We raise an AMAZING \$4.00 per clamshell back to your school. Please place your purchase on the order form, buy as many as you like and return the form to the school or project leader of your organization.

Please buy your families fruit needs from us this week!
